

## Drag Queens and Drag Kings: The Difference Gender Makes

By: Lelia J. Rupp, Verta Taylor and Eve Llana Shapiro

In this article I read about the complex culture, subcultures, and the intricate art of “Dragging.” I’m ignorant in thinking that within the gay community there is JUST gay and lesbian. I’ve always known about drag queens and female impersonators, but I wasn’t at all aware of the popularity with drag kings. What I find incredibly disturbing is the level of discrimination within the drag community. I like to think of it as a “Cascading Chart of Hatred” *True Gays* top the list and *Drag Performers/Transsexuals* are unfortunately at the bottom of the totem pole.
