Blackboard 9 @ ECU  Navigation for Students

Blackboard 9 (also referred to as Blackboard Learn)

Blackboard is a Web-based course management system designed to allow students and faculty to participate in classes delivered online or use online materials and activities to complement face-to-face teaching. It can include course materials, discussion boards, online quizzes, exams, Grade Center and more.

Browser Information

See the Blackboard Blog for current information on browsers and plug-ins:

Access Blackboard

1. Click the Bb on the ECU home page. Click the Student Login.
2. Enter your Pirate Username and Passphrase to access your Blackboard site.
3. Once logged in, you will see the courses in which you are enrolled.
4. Courses can also be accessed from the My Courses Tab.
5. Modules (examples below) on your Blackboard site are available with helpful information, resources, links, etc. Minimize or maximize the modules.

Once You Are In Your Course

Following is a partial Course Tools Menu. Please keep in mind, different instructors use/create different menu bars or navigational bars.

- **Announcements** – displays important announcements your instructor has posted.
- **Assessments or Assignments** – provides access to online quizzes, exams, assignments.
- **Course Documents** – homework assignment, instructions
- **Staff and/or Course Info** – syllabus, instructor information
- **My Grades** – check your grades

Your instructor may provide a link to any Groups you are in, the Discussion Board, Chat and/or Virtual Classroom, and other tools (blogs, wiki’s, etc.). You will also be able to email your instructor and your fellow students from within the course. You may not receive emails from outside Blackboard.
