Purchasing a TurningPoint Cloud License through Blackboard

1. Log in to Blackboard and choose a course in which you are enrolled.

2. Click “Tools”

3. Select “Turning Account Registration”

4. Enter your ECU email address and click sign-in. If you have not already created your Turning Account, please do so now by following the directions in the tutorial titled “Creating a Turning Account in Blackboard.”
5. You will be taken to your Turning Account Dashboard. Select License.

6. Under Manage Licenses, choose “Add a License.”
7. Select “Purchase a License.” You will then be taken to the Turning Student Store.

8. In the Turning Student Store, select a 1-Year License. **Do not select a device/license bundle.**
9. A description of the 1-Year License will appear. Click “Add to Cart.”

10. Click on the Shopping Cart icon at the upper right of the screen to checkout.
11. Review your shopping cart contents and when you are ready to purchase click “Checkout.” If you are asked if you would like to upgrade to a 4-Year License, click “No.”

12. Enter your credit card information in the fields provided, then click Review Order.
13. After reviewing the details of the order, click “Complete Purchase.”

14. A confirmation page will be displayed and the license will be applied to your account.

- If you plan to use a phone or tablet to respond to poll questions, you will need to install the ResponseWare app for your device. The app is free and can be downloaded from your device’s app store or at [www.TurningTechnologies.com/downloads](http://www.TurningTechnologies.com/downloads). Once the app is installed and opened, you will need to enter the session number provided by the instructor during each class session, then enter your Turning Account user ID.

- If you choose to answer poll questions from a laptop, visit [www.responseware.com](http://www.responseware.com) prior to each class and enter the session number provided by the instructor. You will be asked to enter your Turning Account user ID.
